

## AquaSense Multi-Adjust Bath Safety Rail

HCPCS:

FIGURE A

- Provides security, stability and comfort when entering or exiting the bathtub
- Heavy gauge, rust-resistant stainless steel and aluminum construction
- Two independent contact surfaces with the tub wall, for strong and reliable support
- Non-marring rubber pads on all points of contact with the tub, for a solid yet bathtub-friendly grip
- Installs securely without the use of tools
- Best product winner at Expo & Design Montreal
- Easy to clean
- AADL# B180
