Beds

Comfort & Safety at Home

At Drive Medical, we understand the importance of convalescing at home—but we also know that a truly effective homecare bed must meet many different requirements and needs. That's why our innovative homecare beds are thoughtfully designed with an array of functions to support individuals throughout many stages of life. Whether you're looking for a manual bed, an electric bed, or something in between, our beds feature enhanced adjustability and can be configured in various ways to provide dependable comfort and support for your loved ones. Explore our trusted homecare beds below.

Competitor II Manual Height Adjustable Bed

Item #	Product Description
15561	Manual Bed
15561FR	With Full-Length Side Rails (#155161FRAIL)
15561HR	With Half Rails (#155161HRAIL)
15561FR-PKG	With Full-Length Side Rails (#155161FRAIL) and 80" Innerspring Mattress (#15006)
15561FR-PKG-FM	With Full-Length Side Rails (#155161FRAIL) and 80" Fiber Core Mattress (#15007)
15561HR-PKG	With Half Rails (#155161HRAIL) and 80" Innerspring Mattress (#15006)
15561HR-PKG-FM	With Half Rails (#155161HRAIL) and 80" Fiber Core Mattress (#15007)

- Large glow in the dark hand pendant has easy-to-use controls for adjusting head and foot deck sections to comfortable positions built in battery backup and power indicator light. NEW Lock out feature can be used to prevent accidental actuation of head or foot adjustment
- In the event of a power failure, a 9 volt battery (not included) located in the hand pendant can lower the head and foot sections to a horizontal position. Two additional Batteries can be installed into the motor housing to increase adjustment speed and extend battery life. No crank needed
- Slat Deck provides strength, no-sag mattress support, no links to connect, easy to clean
- Patient weight capacity is 350 lbs. Total weight capacity 450 lbs. evenly distributed. Includes occupant, mattress, side rails, trapeze, accessories, personal affects, etc.
- Ultra light head and foot frame weigh only 41 lbs. each making one person transport and assembly easy
- #15561 Competitor II Manual Hgt Adj. Bed frame only, casters optional
- Full and Half Rails meet IEC Entrapment guidelines when used on the #15561/15571 beds and are backward compatible for use with the #15560 & 15570 Competitor beds
- Product Safety Standards: Meets IEC 60601-2-52 60601-1 60601-1-2 60601-1-11

Delta® Pro Homecare Bed System

Item #	Product Description
15003PN	Manual Bed - Standard Height
15004PN	Linear Semi Electric - Standard Height
15005LPN	Linear Full Electric- Low Height
15030N	Semi Electric - Standard Height
15033NC	Full Electric - Standard Height
15235N	Full Electric - Low Height

- This unique bed is designed to fit your needs offering a universal frame capable of configuring up to 6 different bed designs. Looking for a semi-electric bed? Full electric? Low bed? You can have them all with 1 universal frame system - the Delta Pro Bed by Drive.
- Patent pending Universal Frame can configure with various component to create up to SIX unique bed configurations offering more homecare bed options without the need to store more beds!
- Assists with inventory constraints by offering 1 homecare bed system that can transform to suit multiple needs using color coded component options
- Product Safety & Performance Standards: Meets IEC 60601-2-52; 60601-1; 60601-1-2; 60601-1-11
- Choose between semi-electric and full electric motor options to provide head, foot, and height adjustability of bed frame as needed (excludes 15003PN, manual crank homecare bed system)
- Ultra lightweight head and foot frames easy to set up with no links to connect and no tools required
- Square tube steel frame slat deck provides durable strength, no-sag mattress support, and is easy to clean
- HD Polyethylene molded bed ends are attractive, labeled for proper assembly, and easy to clean and maintain
- Bed End safety lock slides over hanger pins to prevent disengaging from bed ends
- UL approved motor is self contained for reduced weight and noise and can be easily installed and removed with patient in bed (excludes 15003PN)
- Reduce service calls with large glow in the dark hand pendant that is easy-to-use for adjusting head and foot deck sections; built in battery backup and LED indicators for power and lockout included (excludes 15003PN)
- Power failure protection available on dual style motors via a 9-volt battery (not included) located in the hand pendant which can return the frame to a horizontal position. Manual cranks included for all styles (excludes 15003PN, no electrical components means independent of electrical power availability)
- Frame includes mounted retractable full rail receiver brackets to eliminate cross braces ensuring proper placement and reducing equipment loss
- Half (15561HRAIL) and full (15561FRAIL) rails are available, sold separately, and meet FDA entrapment guidelines as well as ASTM standards

Solite Pro Homecare Bed Package

Item

15006LP

- The Solite Pro from Drive DeVilbiss Healthcare is a fully electrical profiled homecare bed that offers smooth, quiet operation and versatile positioning for maximum patient comfort. The Solite Pro can nest within itself and comes standard with a built-in transport stand for storage and easy transport. Additional features include a tool-free built-in leg extension extending from 80" to 84", knee break function, and improved actuators in the variable height mechanism that add to the strength of the bed, all while retaining an attractive, domestic look and feel.
- Redesigned platform for improved patient comfort when profiling
- Individual sections strengthened for extended performance and reliability
- Improved integral leg extension with safety features to prevent entrapment
- Improved auto-regressing backrest prevents pinching in the sacral area
- All individual sections of the bed weigh less than 55 lbs. (25 kg) for easier assembly
- Four braked castors for maneuverability and safety
- Easy-use handset controls all functions and includes lockout function
- Transport stand included
- Optional integral full-length side rails for safety and ease of use (item #: 15006LEXRAIL)
- Additional optional accessories sold separately include grab handles in two height options, standard (item #: 15006LPSTDRAIL) and short (item #: 15006LSHRTRAIL)
- Rail accessories meet FDA and ASTM entrapment guidelines and standards

Lightweight Bariatric Homecare Bed

Item #	Product Description
15300LW	42" W x 80" L
15300LW-HR	42" W x 80" L with Half Rails (15021BV-LW)
15302LW	48" W x 80" L
15300LW-HR	48" W x 80" L with Half Rails (15021BV-LW)
15303LW	53" W x 80" L
15303LW-HR	53" W x 80" L with Half Rails (15021BV-LW)

- Drive is leading the way in Homecare beds by introducing the next generation of Bariatric support. Introducing Drive DeVilbiss' new Lightweight Bariatric Beds. With frames upto 100 lbs lighter than most current Bariatric offerings, these beds are easy to maneuver, transport and assemble. Without compromising strength, these durable lightweight frames have been tested and verified to maintain the same safe working **load capacity of up to 1000 lbs! (Weight capacity varies by size)**. Available in 42", 48" and 54" widths gives patients the space they need to recover and providers the ability to deliver and assemble with ease
- Lightweight frame design offers providers easier and more manageable bed deliveries and assemblies
- Allows for additional space for patient comfort and recovery as well as caregiver efficiency
- Product Safety & Performance Standards: Meets IEC 60601-2-52; 60601-1; 60601-1-2; 60601-1-11
- Full electric bariatric homecare bed with dual motor assembly for head and frame adjustability
- Ultra lightweight frame is easily set up by 1 individual; no links to connect and no tools required
- Square tube steel frame slat deck provides durable strength, no-sag mattress support, and is easy to clean
- Scratch resistant wood grain panel bed ends include hi lo motors for frame height adjustability
- UL approved motor is self contained for reduced weight and noise and can be easily installed and removed with patient in bed
- Reduce service calls with large glow in the dark hand pendant that is easy-to-use for adjustments; LED indicators available for power and lockout included
- Battery Back up accessory available (#15302LWB) and sold seperately
- Rail accessories meet FDA and ASTM entrapment guidelines and standards
