Commodes

Bathroom Safety Solutions

At Drive Medical we know that maintaining privacy while protecting safety and independence begins in the bathroom—with a commode that meets your unique requirements and fits your lifestyle. Our commodes were clinically designed to meet the needs of individuals facing a wide range of mobility challenges in both the long and short term. With a focus on durability, portability, and ease of assembly, our commodes also include helpful features such as stable handrails and easy-to-clean surfaces. Our thoughtfully designed products are here to enhance your safety and quality of life.
