

SPITFIRE EX

HOW TO INSTALL CUP HOLDER

1. Verify that all parts are present.

2. For easier installation the tabs can be removed.

3. Push the right armrest reflector shroud down.

4. Slide the cup over the square tubing.

5. Put one of the nuts in the nut receiver in the mount.

6. Holding the nut in place push down on the cup and install the screw through the opposite side. Tighten

7. Repeat steps 5 and 6 for the lower screw.

*** Will not fit on Spitfire DST.**
