FIGURE E

- Ultra-lightweight side-fold frame designed for superior stability
- Patented ergonomic handgrips absorb vibrations, while also placing your hand at a natural angle for better brake access
- Easy to fold by just a pull of the strap, and the covered soft basket folds with the frame
- Includes a folding clip for safer lifting and transporting
- Padded seat and full contoured backrest for superior comfort
- Locks in open position for added safety
- Reflective trim for added visibility in the dark
- Easy to activate hand brakes with included parking brake function
- 8" (20 cm) comfort-grip wheels with low-profile treaded tires positioned outside the handles for increased stability
- Tool-free brake adjustment
- Reflective soft basket can be removed
- BONUS curb climber included
- AADL# C225
- ADP# MW3GM0065
- Recognized by CAOT
